*by Gloria Giugno and Julian Booyen*

**in KAPONGA (Swiss Club) from the 2 till the 3 October 2017:**

with Mrs Bösch

with Mr and Mrs Stäheli after a good dinner together...

and in TIMARU (residence of Mr and Mrs Kempf) from the 4 till the 6 October 2017:

the best indications ever...

and the biometric room...

the "counter" with the fireplace for a warm welcome....

with the Birt family from Queenstown and Mr Kempf

a last selfie (after a goodbye tea of course) with the wonderful hosts Mr and Mrs Kempf before departure....
