Every year, 250 young Swiss living abroad have an incredible time in their home country and get to know Swiss culture. We have such fond memories of the snowy mountains, the fun skiing and snowboarding on the slopes and the new friendships.

Of course, the OSA winter will be no less exciting in 2018. For a cosy evening in the holiday retreat, ice-skating in the Alps or a racy toboggan ride, one thing's for sure: we've created a diverse program that's sure to please. Join us!

Find detailed information in this flyer and on our website at www.swisscommunity.org/youth.

Reserve a space at one of the winter camps or language courses. We look forward to having young Swiss abroad with us in Switzerland.

Warm regards,
Your OSA team
