As a general rule only domestic helper accompanied by their current employer on their trip to the Schengen area are taken into consideration. Domestic employees must be employed by the same employer for at least one year. Please submit your application **in person**. **To ease the application process, it is recommended that the employer accompanies the domestic helper to the appointment** at the VFS Global Visa Application Centre (135 Cecil Street, #08-01, Philippine Airlines Building, Singapore 069536). The main destination in the Schengen area must Switzerland. The application cannot be submitted earlier than 6 months before the travel date.

An **appointment is required for submission of application** ([www.vfsglobal.ch/switzerland/Singapore](http://www.vfsglobal.ch/switzerland/Singapore)). Please make sure to submit all the documents on this list when at the time of your appointment. Applications with missing documents cannot be accepted.

Processing time: The minimum processing time for a visa application is 4 working days, but applicants are advised to leave at least 15 days between the appointment date and travel date as some applications/nationalities take longer for the Embassy to process.

**Visa fee:** please check the website for the [current fees](#)

- If your **fingerprints have not been collected yet**, personal appearance when applying for a Schengen visa is mandatory.
- If your finger scans were collected within the last 59 months (please provide copy of the visa sticker) then you won't have to give new fingerprints for your next visa application(s) and personal appearance is not necessary. In this case, you can send someone who submits on your behalf.
