Swiss companies are active in the Scottish market

QUOTIENT

Transfusion diagnostics company, Quotient, has officially opened its state-of-the-art Allan-Robb Campus within the Scottish Enterprise Biocampus just outside of Edinburgh.

Swiss banking software company Avaloq has announced it is to set up a new Scottish base, creating about 500 jobs over the next five years.

avaloq

BREITLING
1884

Swiss luxury watchmaker Breitling has opened its first boutique in Glasgow, which will be managed by the Watches of Switzerland Group.

Global engagement and marketing agency MCI Group, headquartered in Geneva, Switzerland, with its presence in Glasgow has organised numerous conferences in Scotland.

SULZER

Leading provider of polylactic acid (PLA) solution, Sulzer, has acquired the entire shareholding in the joint venture company Sulzer Wood in Aberdeen as part of the planned expansion of its Rotating Equipment Services business in the UK.

Ferring Pharmaceuticals is a Swiss multinational biopharmaceutical company. Ferring Controlled Therapeutics UK was founded in Glasgow in 1986 and has been operating successfully there for 35 years.

Swiss companies find in the UK a business culture close to their own, the willingness to pilot innovations and experiment new business models. With solid expertise in industries where Switzerland is also strong, the UK offers huge potential for business and R&D collaboration.

How the Swiss Business Hub UK & Ireland can help

The Swiss Business Hub UK + Ireland provides localised support, market information, consulting and networking services to Swiss companies venturing into the UK or Irish market. The experienced Team supports inquiries of all kinds and serves as a first-hand local contact for companies wanting to pursue market entry into the UK and Ireland. In addition, the Swiss Business Hub actively promotes Switzerland as a highly attractive business and investment location for UK and Irish companies looking for growth in Switzerland and in continental Europe.
